## Foreign Orders

All orders shipping to foreign countries must be prepaid by wire transfer in U.S. dollars, prior to Roura manufacturing and shipping the product(s).

We will only ship via Exworks:

Seller fulfils his obligation to deliver when he has made the goods available at his premises (i.e. works, factory, warehouse, etc) to the buyer. In particular, he is not responsible for loading the goods on the vehicle provided by the buyer or for clearing the goods for export, unless otherwise agreed. The buyer bears all cost and risk involved in taking the goods from the seller's premises to the desired destination. This term thus represents the minimum obligation for the seller

All charges are to be paid by the customer, such as broker fees, bank fees, dock fees, as well as any special packaging or crating required, such as for air or ocean travel.
